society.

Silver Valley Unified School District

STUDENT ACHIEVEMENT

- ◇ Every student needs opportunities to explore, learn and develop academic skills that require critical thinking.
- ◇ Every student deserves support to achieve academic success based on individual needs.

TECHNOLOGY

- ◇ Current and up-to-date technology is necessary for teaching and learning.
- ◇ Training and support for implementing technology is a necessary part of the work/learning culture for students, staff and parents.

STUDENT/PARENT SUPPORT

- ◇ A safe and supportive learning environment promotes student achievement.
- ◇ Partnerships with the broader community can enrich learning experiences for our students.

DISTRICT STABILITY

- ◇ A culture of high expectations and accountability encourages success for all.
- ◇ Collaboration is characterized by mutual respect, trust and support.

Mission Statement

Together we create an educationally productive & engaging experience where all students prepare to achieve academic and career success.

HIGHLIGHTS:

Dual Enrollment at Barstow Community College

Transitional College Courses

California Honor Roll School (5 Years)

PROGRAM OFFERINGS

Silver Valley High School has been a leader in academic achievement over the past several years. We continue to outperform the other, larger, comprehensive and charter high schools in the surrounding twelve school districts in the High Desert.

Silver Valley High School also offers an AVID program for its students. Students work with school staff to prepare for college and postsecondary opportunities. Field trips to local and nearby colleges, like Cal State Los Angeles & Cal State Fullerton, are an important part of the program.

Silver Valley High School has committed to creating the best learning environment for its students. The high school began implementing the PBIS system at its site six years ago we have seen a positive change in the school culture. Student suspensions have dropped dramatically over that time.

Silver Valley High School provides opportunities for student to participate in athletics, student body and clubs as a way to engage in the full high school experience. Current sports we offer are: Cross Country, Basketball, Soccer and Track & Field for both boys

Principal: Mr. Michael Sullivan

Assistant Principal: Mr. Mike Meyer

Counselor: Mrs. Crystal Islas

HIGHLIGHTS:

6-Year WASC Accreditation

2019 & 2020: 100% Graduation Rate (Highest in San Bernardino County)

and girls. Football, Volleyball, Baseball, Softball, and Cheerleading are also offered. Students may also participate in clubs like: Mathletes, Associated Student Body (ASB), Music Club, Spanish Club, and others.

Silver Valley High School offers an online credit recovery program that students may participate in during the regular school day. This computer-based program has online teachers who work with students and gives them an opportunity to make up lost credits to help them graduate on time.

LEWIS

COYOTES

LEWIS ELEMENTARY SCHOOL

Lewis Elementary is a TK-2 school located on the National Training Center, Fort Irwin.

Teachers and staff have received extensive training on implementing the California Common Core State Standards. This training allows them to teach their students how to be creative, to communicate, collaborate with peers and think critically.

Each classroom is equipped with iPad centers, desktop computers, high-speed internet and wireless access points that allow students and guests access to the Internet.

Lewis Elementary has implemented a highly successful Positive Behavior Interventions and Supports (PBIS) program that promotes the positive recognition of students and classrooms.

Coyote Pledge:

I will do my best to come to school on time.

I will follow all directions of the school staff and volunteers.

I will be kind and courteous to others by always using proper language.

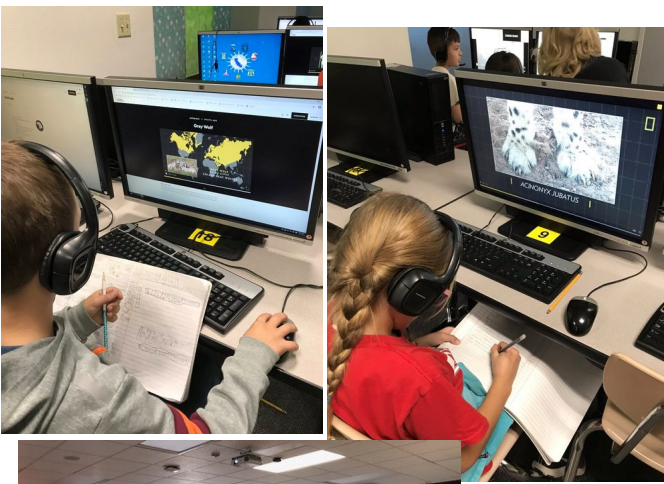

I will keep hands, feet and objects to myself.

I will respect and take care of school property.

I will walk on the sidewalks and in the hallways.

I am a member of a coyote class at Lewis Elementary School.

Lewis Elementary offers many opportunities for parents to get involved as well! Parents are encouraged to join and be active in the Lewis PTA, School Site Council and the Site Strategic Planning team. Parents are also invited to volunteer in the classroom and attend family nights (Science & Technology, ELA/Math).

Lewis Elementary provides web-based and teacher led intervention programs for students who need a little extra help in reading. An after school program that includes tutoring, as well as enrichment, is available during specific times throughout the school year.

TRANSITIONAL KINDERGARTEN

Lewis Elementary offers a Transitional Kindergarten program. It provides children with the necessary social and academic skills for success throughout their school experience.

Students follow the same schedule as traditional kindergarten with a full-day program. TK students enjoy lunch and recess with their TK friends and participate in ALL school activities and assemblies.

Transitional Kindergarten provides students with instruction in the following areas: Reading, Math, Social-Emotional Development, Fine & Gross Motor Skills. By the end of the year students are prepared to meet the social and academic expectations of kindergarten!

TIEFORT VIEW INTERMEDIATE SCHOOL

Tiefort View Intermediate School is a grade 3-5 school located on the National Training Center, Fort Irwin.

Teachers and staff have received extensive training on implementing the California Common Core State Standards. The staff works very hard to teach students how to be creative, to communicate, collaborate with peers and think critically.

Each classroom is equipped with iPad centers, desktop computers, 75 inch interactive display boards, high-speed internet and wireless access points that allow students and guests access to the Internet. Tiefort View also has three computer labs to further support student access to the Internet and on-line programs.

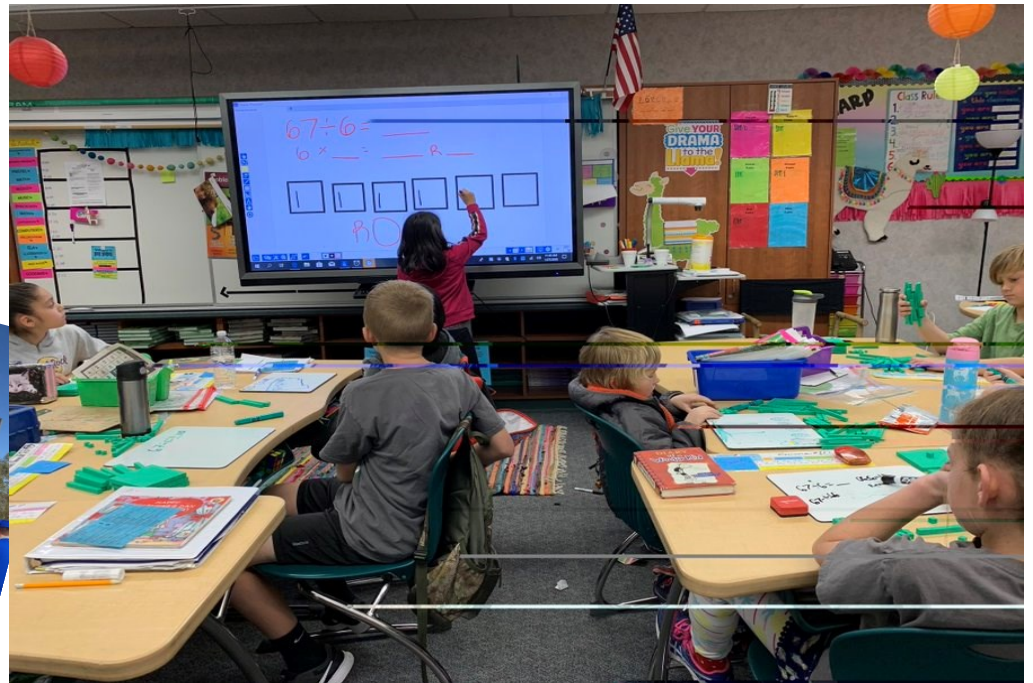

Tiefort View Intermediate School offers an extensive after-school tutoring and enrichment program for its students. Assistance in language arts and math along with art, music, STEM, physical fitness and many other courses are offered.

Tiefert View has implemented a highly successful Positive Behavior Interventions and Supports (PBIS) program that promotes the positive recognition of students and classrooms. The Tiefort View PBIS team has been recognized by the Mountain/Desert SELPA for it's exemplary program and they have presented at the International PBIS Conference in Boston in the Spring of 2015 detailing their success.

Tiefert View offers many opportunities for parents to get involved. Parents are encouraged to join and be active in the Tiefort View Parent-Teacher Organization (PTO), School Site Council and the Site Strategic Planning team. Parents are also invited to attend parent information nights (Common Core, Technology, PBIS), and parent leadership classes. Parent volunteers are always welcomed!

Principal: Mrs. Aubrey Zucco

FORT IRWIN MIDDLE SCHOOL

A 2019 California Distinguished School, Fort Irwin Middle School serves 6th-8th grade students located on the National Training Center, Fort Irwin.

The teachers and staff at Fort Irwin Middle have received extensive training and professional development implementing California Common Core State Standards. Students are taught how to be collaborative, think critically, communicate in different ways and be creative.

Fort Irwin Middle School has created a positive school culture through it's Positive Behavior Interventions and Supports (PBIS) program. The Fort Irwin Middle School staff works hard to recognize those students who model positive behavior. The staff also recognizes those classrooms and students who go above and beyond to be R.E.A.L. (Respect, Engaged, Achieve, Lead)

A.V.I.D.

Advancement Via Individual Determination, a program aimed at preparing students for college and other postsecondary opportunities, is in it's third year at FIMS. A.V.I.D. trains educators to use proven practices in order to prepare students for success in high school, college, and a career, especially students traditionally underrepresented in higher education.

A.V.I.D.:

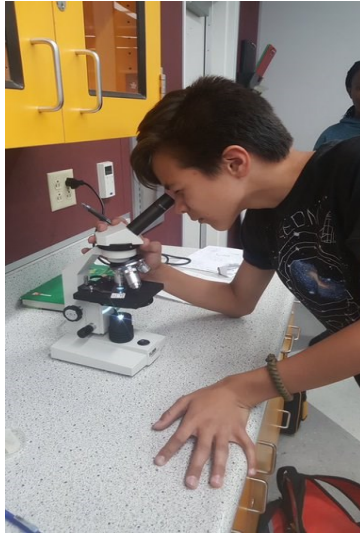

- Teaches skills and behaviors for academic success
- Provides tutorial support and strong teacher/student relationships
- Creates positive peer groups for students

PROGRAM OFFERINGS

Fort Irwin Middle School offers a well-rounded program for its students. Students can sign up to participate in cross country, volleyball, basketball, soccer and cheer. Students can also take electives like Art, A.V.I.D., Band and Technology.

Fort Irwin Middle School also provides a strong intervention program in math and language arts for students who may need extra support.

YERMO SCHOOL

Located in Yermo, CA, Yermo School offers a TK-8th grade program for the families of Yermo, Daggett and the Marine Corps Logistics Base, Barstow. Teachers and staff have received extensive training on implementing the California Common Core State Standards. This training allows them to teach their students how to be creative, to communicate, collaborate with peers and think critically.

Yermo School provides a 1:1 technology program for all students. Also, all classrooms are equipped with iPad centers for TK-5th grade. High-speed internet and wireless access points that allow students and guests access to the Internet. The students and teachers also have access to a fully equipped computer labs that will allow them to have more access to the Internet and on-line programs. Yermo School also provides students with opportunities to explore hands-on learning in their new STEM lab.

Yermo School has implemented a highly successful Positive Behavior Interventions and Supports (PBIS) program that promotes the positive recognition of students and classrooms.

Transitional Kindergarten

Yermo School offers a Transitional Kindergarten program. It provides children with the necessary social and academic skills for success throughout their school experience.

Students follow the same schedule as traditional kindergarten with a full-day program. TK students enjoy lunch and recess with their TK friends and participate in ALL school activities and assemblies.

Transitional Kindergarten provides students with instruction in the following areas: Reading, Math, Social-Emotional Development, Fine & Gross Motor Skills. By the end of the year students are prepared to meet the social and academic expectations of kindergarten!

Yermo School offers a variety of academic programs to meet the unique needs of each student. Yermo school also has begun an A.V.I.D program that provides students with the training and skills they need to be successful in college

and their postsecondary careers. Students are also provided with a pull-out music and P.E. class for each grade! The school's band has participated in many local parades and performs concerts for the community each year.

Yermo School also provides students with opportunities to participate in sports. Students can sign up to participate in cross country, volleyball, basketball, and soccer.

Parent involvement is an important part of the school culture. Parents are invited to join the Yermo PTO, volunteer at the school, join the school site council and site strategic planning team. Yermo also sponsors Parent information nights around PBIS, Common Core Standards, Literacy and Math.

NEWBERRY SPRINGS ELEMENTARY SCHOOL

Located in Newberry Springs, CA, Newberry Springs Elementary offers a K-5th grade program for the community. A small school environment allows teachers to build strong, positive relationships with their students.

Teachers and staff have received extensive training on implementing the California Common Core State Standards. The staff emphasizes the importance and value of technology to enhance students' education experience. Classrooms are equipped with iPad centers, desktop computers and an upgraded infrastructure to allow high-speed access and connectivity to the Internet. An up-to-date computer lab allows teachers to give students time to use technology to create projects and use on-line programs for intervention and enrichment.

Newberry Springs Elementary also has a well-established and successful PBIS program. Students are recognized for making positive choices. Weekly and monthly assemblies are held to recognize those students who are “caught” being good!

COMMUNITY INVOLVEMENT

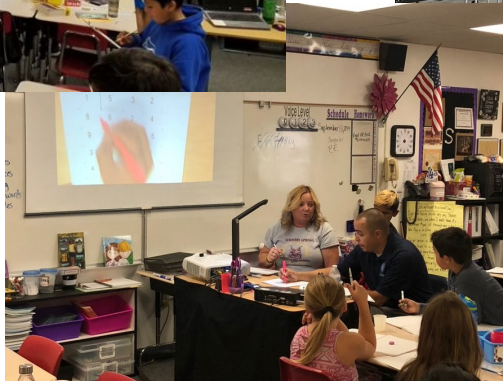

Newberry Springs Elementary prides itself on opening its doors to the community. The school's parent organization, Newberry Elementary

Activity Team (N.E.A.T.) is a highly active group that works to support the students and staff.

Parents are also invited to be a part of the school site council and site strategic planning team.

Newberry Elementary also has

many different family events that include: Dr. Seuss Night, Family Fun Festival and Multicultural Fair, and family dinners.

ALTERNATIVE EDUCATION CENTER

Located in the community of Daggett, California, the Alternative Education Center (AEC) upholds a mission to provide an educational environment where all students can succeed academically and mature personally while acquiring the essential critical thinking skills needed for careers in the 21st century.

The AEC is comprised of various alternative education programs that are designed to serve a diverse group of students of the Silver Valley Unified School District. In addition to the conventional continuation high school, the AEC offers the Opportunity Program for students in grades 7-10 who are referred to an alternative setting from their home-school for varying reasons. Each program is designed to provide a unique and individualized educational setting to assist students in reaching their academic and personal goals.

The AEC also offers Silver Valley Academy, a District umbrella program that consists of the Success Program for special education students, Long-Term Independent Study, Silver Valley Virtual Learning, and the Home-Hospital Program for students whom are unable to physically attend school.

This unique dynamic allows for expanded collaboration amongst instructional staff, the District, and special education personnel to ensure a robust, comprehensive, and individualized educational plan is implemented for each student.

The AEC also offers Silver Valley Adult School to individuals over the age of 18 who wish to return to school to obtain their High School Diploma, develop their English Language Skills, or prepare for the GED Test. AEC takes pride in serving students as a collaborating member of the Barstow Area Consortium for Adult Education.

For all programs, the AEC offers a school curriculum via a fully-accredited web-based curriculum that allows offerings of a wide-range of courses that are all aligned with respective California state standards, meet state A-G entrance requirements, and provide rigorous coursework to help students be successful in college and career after high school. Additionally, the AEC offers on-campus electives such as Drawing, Cooking, and Project-Based Learning Activities.

The AEC has worked to foster a collaborative approach to school management by ensuring that all stakeholders are involved in decision-making processes. The staff members embrace the establishment of a communicative, positive, supportive, and nurturing school environment built upon relationships with stakeholders to assist in efforts to best meet the needs of the AEC's diverse student population. The AEC holds School Site Council meetings, staff meetings, and Site Strategic Planning to garner input on various topics to ensure the needs of all students are met.
